

Drive plates GREY SHARK

Drive disk / drive plate with laser-welded harpoon drive face for driving pads.

GUTMANN QUALITY for a longer service life, best performance and high economic efficiency.

Highlights

- Patented laser-welded connection of harpoon drive face and carrier
- Carrier and harpoon drive face form a high-strength and sealed unit
- Manufactured environmentally friendly (from up to 80% recycle) and 100% recyclable
- Sterilizable, autoclavable
- Innovative geometries (dual row flukes) and special plastic formulations
- Highly resistant to chemicals
- Adhesive-free
- Intelligent technology for firm hold and gentle removal of pads

Areas of application

- For hygiene-sensitive areas
- For driving all common pads

Technical data

Overall dimension

Length/Width/Height	≤ 600 mm / ≤ 600 mm / –
Diameter	≤ 600 mm

Körper

Length/Width/Height	–
Diameter	–
Material	–
Colours	Special colours with laser light absorbing (carrier) and translucent (harpoon drive face) possible
Shower feed	With/without

Face

Materials	Laser welded harpoon drive face with dual row flukes
